

Information for Solicitors

Merseyside Police currently maintains a list of contact details for Defence Solicitor firms in the region to enable us to issue automated Emails providing details of your client's relevant disposals, for e.g. Charge, NFA, Re-bail etc.

These notifications will only be sent to a CJSM Secure Email Service. If you are not already set up with CJSM and wish to take advantage of this service then you should visit www.cjism.cjit.gov.uk

The service is free with no cost to you in setting up the secure Email or in receiving notifications. If you wish to be added to the list of solicitors then you should take a look at the letter and form on the links below.
